

ImmunoKinoko® contains pure Active Hexose Correlated Compound (AHCC®) — one of the world's most researched natural immunomodulators — developed in Japan and used in over 1,000 clinics worldwide.

Active Hexose Correlated Compound is a patented extract of hybridized medicinal mushrooms that is uniquely rich in alpha-glucans. AHCC has very high absorption due to its low molecular weight of only 5,000 daltons.

AHCC is backed by over 25 clinical and *in vivo* studies published in PubMed-listed peer-reviewed journals and by more than 50 human studies documented in papers and case reports. Research on AHCC has been conducted at highly reputable medical institutions such as the Yale School of Medicine, Harvard-affiliated Faulkner Hospital and U.T.M.D. Anderson. Several trials — including a 269 subject study published in the *Journal of Hepatology*, a double-blind, placebo-controlled published trial on healthy adults and a Yale Medical School study on healthy elderly patients — have shown that AHCC can increase the number or activity of:

- Natural killer (NK) cells, the body's first line of defense*
- Dendritic cells, which initiate adaptive immune response*
- T cells, which provide backup to NK cells*
- Macrophages, which clean up cellular debris*
- Cytokines, which activate the immune system*

ImmunoKinoko® 500

QUALITY OF LIFE LABS®

Active Hexose
Correlated Compound
(AHCC®)

Significantly improves immune response*
Enhances function of NK cells, DC cells,
T cells, Macrophages and Cytokines*

Dietary Supplement • 90 Vegetarian Capsules • 500mg

SUGGESTED USE: Take 2-6 capsules daily before meals or as directed by your healthcare professional.

Supplement Facts

Serving Size: 2 capsules

Servings Per Bottle: 45

Amount Per Serving	% Daily Value
Active Hexose Correlated Compound	1000mg †
Mushroom mycelia extract, candelilla wax (candelilla plant), cyclodextrin (vegetable), microcrystalline cellulose (plant source).	

† Daily value not established.

Other ingredients: vegetable cellulose, vegetable magnesium stearate (from plant oil).

WARNING: DO NOT USE IF SEAL IS BROKEN OR MISSING. Keep out of reach of children. Store at room temperature. Consult your healthcare professional before use if you are pregnant or lactating, have or had a medical condition or are taking prescription drugs.
