

Sourced from nature. Proven by science. Trust your immune health to Kinoko™ AHCC®.

Kinoko™ contains AHCC® (Active Hexose Correlated Compound), a proprietary extract obtained from a hybridization of several sub-species of mushroom mycelia. AHCC supports normal immune function by improving the number and function of immune system cells, and specifically by strengthening NK cell activity.*

Kinoko AHCC is the only clinically researched mushroom extract used in hundreds of hospitals and clinics around the globe.

WARNING: DO NOT USE IF SEAL IS BROKEN OR MISSING: Keep out of reach of children. Store at room temperature.

CAUTION: Consult your healthcare professional before use if you are pregnant or lactating, have or have had a medical condition or are taking prescription medication.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
